Dear Dan,

I am just checking on the status of the Liqua-Tox II label EPA Reg. No. 12455-61. You had asked me to re-send you the documents which I did on July 21, 2010.

Thanks,

Dear Dan,

As per our discussion earlier, attached is a copy of the materials that were sent electronically in Oct 2008. This is an amendment to make the label mitigation compliant.
